

Switch Your Account(s) to Fayette Savings Bank, ssb.

Just print the forms below and follow these steps:

Step 1: Complete our **New Account Information Form**, so we'll have what we need to open your account(s).

Then, stop by one of our banking centers (see addresses on bottom of this page) to present identification, sign the Signature Card, make your deposit so we can open your account and select your check style and/or sign for your debit card. We can also answer any questions on the following steps.

Step 2: Send a **Direct Deposit Request Form** to your employer and other sources, so your funds can be automatically deposited to your account. If you already have Direct Deposits going elsewhere, you can also use this form to switch them to your new account with us.

Step 3: Complete an **Automatic Payment Cancellation Letter** and send it to each of your creditors to switch any automatic payments so they'll come out of your new account with us.

Step 4: Use our **Account Closing Letter** to notify your other bank to close your account and give directions for the disbursement of any remaining funds. Make sure that all of your checks have cleared BEFORE you close your old account.
